REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance:

The memory device utilizing injection of spin-polarized electrons and having the features set forth in the claims is not taught or suggested in the prior art, including in particular a spin conduction layer made of a spherical shell or cylindrical molecule material having a hollow portion.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

The prior art made of record shows magnetic memory elements having some similar features, or made from similar materials.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to S. Crane, whose telephone number is (571) 272-1652.

The fax phone number for the organization where this application or proceeding is assigned is (571) 273-8300.
